## CARE and USE

### WASHING

**Note:** Cover may be washed in a large automatic washer without agitator found in most commercial Laundromats.

DO NOT use machines with agitators.

DO NOT use home-type washers.

1. Use liquid, All-Purpose Cleaner only; not soap or detergent.
2. Wash in "Normal" or "Permanent Press" cycle.
3. Use only Cold or Warm water.
4. Rinse thoroughly, normally two rinse cycles.
5. Air dry only. DO NOT use dryer.

### WARNINGS

1. **Re-painted Vehicles** – Use of a cover on any recently painted surface may cause damage. Consult body shop for specifics.
2. **High Wind Areas** – The cover should be checked and secured for high winds.
3. **Freezing Weather** – In freezing conditions it is possible for the cover to become frozen to a layer of ice. If necessary, pour warm water over the vehicle before attempting to remove cover. Carefully remove cover using more warm water as needed.
4. **Personalized Markings** – Acceptable marking paint on this material is a permanent type fabric / T-shirt paint. Use a single coat and follow the manufacturer's instructions.
